

## Travel Consulting Company ERD

Assumptions:

- Each call discusses only one reservation
- Each team works in one region at a time
- A region is associated with a either business or adventure travel type (not both)

# DVD Rental Company ERD

Assumptions:

- A staff member can only be at one branch at a time.
- There can only be one manager. A manager only manages one branch at a time.
- Assume a dvd has one category and one director.
- A customer can be a member of multiple branches.
- A dvd may be rented using a memberNo, but a different name (i.e. a person using someone else's member number).
- Assume that once rentalCount reaches 10, members will no longer be able to rent movies.
